ECOMM 2018, 30 May – 1 June 2018, Uppsala

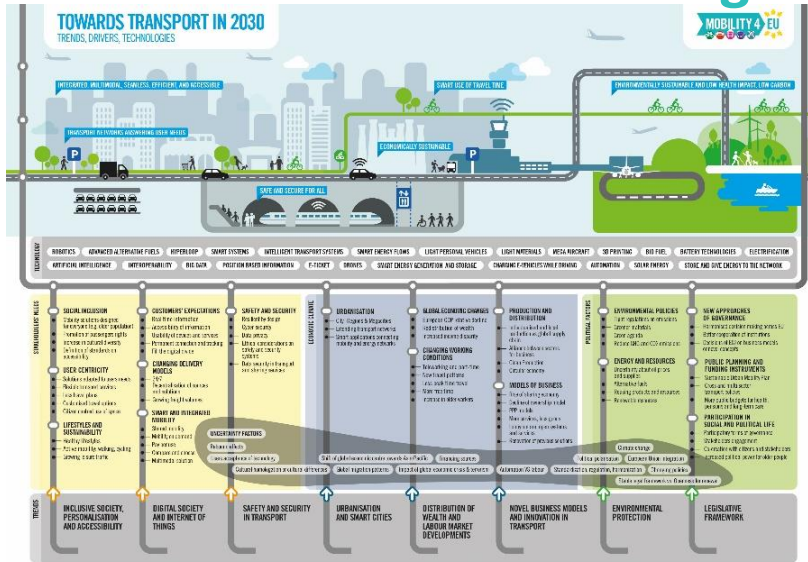

„Building an Action Plan for Mobility in EU in 2030“

- 19 partners from 11 countries: stakeholders from all passenger transport modes, freight and user representatives groups
- 1 January 2016 – 31 December 2018
- Develop a vision of a user-centric cross-modal transport system in 2030 and an Action Plan
- Engaging a broad stakeholder community, initiate steps towards the EU Transport and Mobility Forum

Approach

Action Plan

Vision 2030

This document is produced under the EC contract 690732. It is the property of the Mobility4EU consortium and shall not be distributed or reproduced without the formal approval of the Partners.

Unrestricted PUBLIC Access.

- How will a typical passenger journey (commuters/ tourists) look like in 2030 within an urban region?
- Which barriers currently exist to achieve this target?
- Which actions need to be taken to overcome these barriers?

- Today's input will be considered within action plan for user-centric and cross-modal transport in 2030
- Broad stakeholder consultation with various activities since April 2018
